Re: Case No. 16-29746 (SLM) | Ibari Anaele
Hearing Date: August 29, 2017 at 10:00 a.m.

Dear Judge Meisel:

In response to the letter sent to you from my Trustee, Barry Roy. I would like to offer you the same corrections as I did him.

There was no additional investigation that provided proof that Kopan Anaele Construction, Inc was dissolved December 2016. In fact, at the meeting of creditors there was a request for when the company was formed and dissolved. I stated at that time that I was not in possession of those documents but can go to Trenton to obtain them. Several weeks post that meeting I called Trenton who advised me of how to obtain it online, which I did and forwarded that information to my then attorney, Andrew Micklin who forwarded it to Mr. Roy (attached).

Additionally, we had a scheduled deposition in February 2017 that I met with Mr. Roy's associate Jay Lubetkin which I provided him the same information.

I can only assume that after I filed the motion and your Clerk, Nelson advised me to speak to Mr. Roy, who stated that he was unfamiliar with the case and would need to review the documents after returning from vacation on the 21st is that he misread the date that I requested the documents for the original file date.

I further state that I was forthcoming and provided his office with these documents as I am attaching my receipt for the documents that Mr. Roy would have on file along with my email from the NJ Portal Support acknowledging my order.

Furthermore, there was no independent investigation to obtain when the purchase of \$41,000 was made or the price. I provided those as well to Mr. Lubetkin in addition to fines on the property for \$55,000 and back property taxes owed.

Mr. Roy's letter has grossly misstated the facts and painted me in an unfavorable light. I have reached out several times to Mr. Roy to assist him if I can in familiarizing himself with the case since he has only met with me November 2016 and I anxiously await his call or request for a meeting.

Respectfully yours,

Ibari Anaele
